*NACD Responsible Distribution PAC is requesting a separate authorization for each of the five years. However, authorization can be granted for one, two, three, or four years by simply signing on the corresponding line(s). A company may authorize only one trade association federal political action committee (PAC) to solicit its employees during any calendar year. This authorization can be revoked at any time. Only U.S. citizens or permanent residents can contribute to federal PACs. Participation is strictly voluntary.*

The Responsible Distribution PAC raised a total of \$282,560 and spent \$305,500 on campaigns prior to the elections in our last cycle. With the 2016 elections now behind us, NACD is focused on growing our PAC outreach further by educating and expanding the opportunities for NACD distributor members to participate in the Responsible Distribution PAC. **During the 2016 elections, over 96% of the candidates supported by the Responsible Distribution PAC went on to win their elections!**

Thank you to the NACD members who took time to go to fundraising events and serve as the “face” of NACD in different parts of the country this year. Thanks especially to the NACD members who contributed at the MVP level and exhibited strong leadership.

NACD will continue to pursue an enhanced political climate more favorable for chemical distribution by working with the new administration and 115<sup>th</sup> Congress to address our priorities.
